What is Fitness Passport?

Fitness Passport is a discounted workplace health and fitness program giving you and your family unparalleled access to a wide choice of gyms & pools.

What is Fitness Passport? (Extended)

Fitness Passport is a discounted workplace health and fitness program available to you and your family. For a fraction of the price of a regular gym membership, our 370,000 plus members across Australia enjoy access to a wide range of gyms, pools & fitness centres as often as they like. Our purpose is to motivate Australians to participate in exercise by removing the barriers of cost and limited choice.

Why am I being offered this?

There is no substitute for good health! Your employer is committed to your wellbeing and recognises health equals happiness. Department of Education QLD have partnered with Fitness Passport to give you exclusive access to a significantly discounted fitness membership, tailored to the gyms & pools you and your colleagues want to use.

Your membership gives you unparalleled access, more choice of facilities, more convenience and more value than a traditional gym membership. What's more, both you and your immediate family are eligible to join, giving you the freedom to find fitness that works for you!

What does a membership include?

Your Fitness Passport membership is designed exclusively around the gyms & pools you and your colleagues want to use. You select the facilities and, once approved, you can visit them all!

What you get:

- Unlimited visits across all fitness facilities in your program
- Individual and Family memberships available
- Discounted fortnightly direct debit
- Simple hassle-free swipe access on entry
- Full facility access can include gyms, group classes and pools

Why Fitness Passport over a traditional gym membership?

Why join just one gym, when you can join hundreds?

With Fitness Passport you get unparalleled access to the gyms & pools in your exclusive program. This means fitness facilities close to work and close to home. A traditional gym membership gives you admission to one centre only, or charges a premium fee for access to other locations in the same chain. Fitness Passport gives you the freedom of choice, at a discount! You aren't tied to one chain or one location. You can choose to visit a different facility every day of the week or month! Our programs include the big-name chains, small independent facilities and council centres too. Greater convenience and choice give you more reasons to embrace a healthy lifestyle.
